Subject:	Tatiara Community Grants		

Council is now inviting applications from local community groups and organisations for the Tatiara Community Grants Program.

Tatiara District Council Mayor Liz Goossens said the Community Grants program was first established in 2003. "Council's Community Grants Program has helped local not for profit groups and organisations, including sporting clubs, bring their ideas to life".

Funding is available in four categories:

Minor Grants

- Individual Achievement Grant – up to a maximum \$350 for national events, maximum \$500 for international events
- Quick Response Grant – maximum \$1,500 to support the purchase of small equipment or delivery of small events

Major Grants

- Community Strengthening Programs & Events Grant – maximum \$2,000 for programs and events
- Community Strengthening Infrastructure Grant – maximum \$10,000 to enhance, improve or renew social assets

Minor Grant applications are approved monthly. Applications for Major Grants close on **20 April 2024**, with applications considered at Council's May meeting. The next funding round for Major Grants will be in October 2024.

We have had one round in November 2023, and the annual amount of \$61,500 remains available to be allocated in the last round in April 2024.
