Our Landscape Officers are here to help.

Our Landscape Officers are located across the Limestone Coast and are here to help landholders control declared pest plants and animals by providing:

- Weed identification support
- Support and advice for best practice pest plant and animal control methods and timing
- Fox and rabbit poison bait and bio-control supply
- Weed control services for priority declared pest plants*
- Equipment such as Canid Pest Ejectors and rabbit bait layers to assist with your fox and rabbit control
- Technical information, publications and fact sheets
- Support with organising a cooperative neighbourhood pest control programs
- Support for landholders to understand their obligations and responsibilities under the *Landscape South Australia Act 2019*.
